

PUBLIC LIABILITY INSURANCE

When it comes to Events Public Liability Insurance is an essential part of the Package.

If you're putting on an event it's important that you choose a company that has the right insurance cover.

What is public liability insurance?

Public Liability Insurance covers a business if a customer or member of the public suffers a loss or injury as a result of the business activities of the company and that person makes a claim for compensation. The insurance would cover the compensation payment plus any legal expenses.

Public Liability is good for you and your customers.

Accidents can happen, even when good safety procedures are all in place that chance happening can impact a business and the way it's perceived by its customers. With this insurance in place you know possessions and property can be replaced and any medical issues are covered.

What does Public Liability cover?

The insurance covers the business's legal liability to pay damages to members of the public for death and injury or damage to property or possessions which has resulted from the business's activities.

Ensure any company you use has Public Liability Insurance in place.

Our work requires us to work on your sites so we choose to have Public Liability Insurance. Before taking on any company to work on your premises or event, you should ask to see a company's insurance schedule and documentation.
